

GREEN MOVE OUT

HILLSIDES

Have extra stuff? No room to take it home with you?

Donate to GW's Green Move Out.

Students living in Merriweather Hall, Clark Hall, Hensley Hall, and Cole Hall are welcome to utilize any of the GMO collection bins in the lobby of West Hall and Somers Hall.

Instead of your extra stuff being thrown away into a landfill, donations from GMO will be sent to a local partner or stored to be given away in next fall's Reuse Market!
